ZOHAIB ALI DAYO
Information technology

OBJECTIVE

To secure a challenging position in a reputable organization to expand my learnings, knowledge, and skills, secure a responsible career opportunity to fully utilize my training and skills, while making a significant contribution to the success of the company.

EXPERIENCE

Web Development:
- **2+ Years of Experience:** Possess a well-rounded understanding of both front-end and back-end development, honed through practical experience over the past two years.
- **Saylani Experience:** During my time at Saylani, I gained three months of valuable experience.
- **Bano Qabil Experience:** I also accrued three months of experience during my tenure at Bano Qabil.

Machine learning and deep learning in Python:
- **SMIU Experience with Sir Ameen (6 month):** 6-month machine learning and deep learning immersion at SMIU under Sir Ameen strengthened my Python skills.
- **Online Program Experience (5 months):** Through an intensive five-month online program, I delved into the intricacies of machine learning and deep learning, expanding my proficiency in these fields.

3D Modelling and Animation:
- **Online Training Program (3 months):** 3-month online Blender training program equipped me with digital content creation skills.
- **SMIU Experience with Sir Khalid (1 month):** Intensive Blender training at SMIU under Sir Khalid boosted my 3D modeling and animation skills.

Governor's IT Program: Web 3.0, Metaverse, and Artificial Intelligence
- Currently enrolled in the Governor's IT Program in Onsite, focusing on Web 3.0, Metaverse, and Artificial Intelligence.

I'm currently freelancing on Fiverr and Upwork
